

I strongly oppose and object to Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. To do so is a totally unacceptable form of electioneering and a grave abuse of corporate power. It runs counter to our democratic values and is in fact un-American.

If Sinclair were truly serving the public interest in their use of the public airwaves, they would not make such a one-sided partisan decision.

I urge you to take whatever action necessary to prevent such one-sided programming decisions and abuses of the public airwaves from happening.

Thank you.
